Hi Ralph!

It was great talking to you today. I'm glad to hear you had a great holiday other than coming back sick!! :)

Attached here is a sample menu proposal from Chef Smoke. The beef entree that he's recommending for Friday is wonderful!! I call it "The best of both worlds" because it has all of the flavor of ribs without the bone! The Chicken Supreme that he listed is our most popular chicken dish so in my opinion you really can't go wrong there!

I didn't make any changes to the boxed lunch menu at this point. I'm attaching our menus for you to look over as well to see if you'd like to make any substitutions. Please let me know if you have any questions that I can answer for you before/during or after your meeting. I'm happy to help!

Jennifer
